FROM

Revenue Commissioner in Mysore.

To

The Chief *Secretary to the Government of*
His Highness the Maharaja of Mysore,
~~Department~~

SIR,

I have the honour to submit herewith, for the orders of Government, a copy of Food Controller's letter No.3403 dated the 5th/7th February 1919 and its enclosure recommending the grant of an allowance of Rs.50/- to the Treasury Assistant Commissioner for being in charge of the Provincial Depot at Tumkur and sanction to the appointment of one additional servant on Rs.8/- per mensem from 1st December 1918 with general permission to entertain additional coolies whenever there is necessity for them.

As regards the allowance recommended in favour of the Treasury Assistant Commissioner, Government have declined to grant any allowance to the officer in charge of the Provincial Depot at Mysore on the ground that there is a special staff to look after the work and what is wanted from the Deputy Commissioner and his Assistant is general supervision for which no allowance is required; and I do not see any reason why the case of the Tumkur Depot officer should be treated differently.

The proposals regarding the menial establishment may be sanctioned.

I have the honour to be,
Sir,
Your most obedient servant,

Revenue Commissioner.

SUBJECT.

Recommending the grant of an allowance of Rs.50/- to the Treasury Assistant Commissioner for being in charge of the Provincial Depot at Tumkur and sanction to the appointment of one additional servant on Rs.8/- per mensem from 1st December 1918.

Letter No.3403 dated 5/7th February 1919, from the Food Controller in Mysore, Bangalore, to the Revenue Commissioner in Mysore, Bangalore.

I have the honour to forward herewith a copy of letter No.410 dated 31st December 1918 from the Deputy Commissioner of Tumkur, proposing a revision of the scale of establishment sanctioned for the Provincial Depot at Tumkur. I looked into the working of this Depot on the 3rd instant. The charge of the Depot is a substantial addition to the work and responsibili of the Treasury Assistant Commissioner, and I recommend the Deputy Commissioner's proposal to give him an allowance of Rs.50/- for the favourable consideration of Government.

The proposals of the Deputy Commissioner in regard to the menial establishment may also be sanctioned.

As regards raising the pay of the Depot Keeper and appointing an assistant on Rs.40/- in addition to the clerk on Rs.25/- already sanctioned, I would recommend that these proposals may be considered later on if necessary.

For Revenue Commissioner.

Copy of letter No.410 dated 31st December 1918 from the Deputy Commissioner, Tumkur District, to the Food Controller in Mysore.

With reference to Government Order No.G.~~xxxx~~ 11697-702/ P.P.139-18-95 dated 14th/16th December 1918 sanctioning the establishment and other charges for the Provincial Grain Depot at Tumkur, I have the honour to state that in my letter No.959 dated 29th November 1918 I had recommended that the Treasury Assistant Commissioner might be given an allowance of Rs.50/- per mensem for being in charge of the Grain Depot and that the pay of the Depot Keeper might be from Rs.50 to Rs.70. The Government order is silent on the first point and has fixed the pay of the Depot Keeper at Rs.50. Though the proposals had been made after careful consideration, I thought till now of accepting the Government Orders as my idea was not to keep more than 1,000 pallas at Tumkur and to send every thing extra to Bangalore or Shimoga. I understand that when you last visited Tumkur you wanted ragi to be stored to provide against a shortage that might be felt about June to August next. In these circumstances the responsibility of the Depot Officer and Depot Keeper will be heavy and an allowance of Rs.50 to the former and a pay of Rs.70 to the latter are not unreasonable. I request therefore that the Government may be moved to sanction an allowance of Rs.50 to the Depot Officer and to fix the pay of the Depot Keeper at Rs.70.

2. The Depot Keeper also requires an assistant on Rs.40 to superintend the measuring etc., when the number of carts is large as it will have to be. This assistant will be useful for keeping the accounts prescribed by the Controller. A knowledge of commercial accounts appears to be necessary to maintain the registers prescribed. The services of a qualified person will be advertised for and secured and I reques

the appointment of an assistant Depot Keeper on Rs.40 may be sanctioned.

3. As regards the menial establishment, Government have sanctioned 2 peons on Rs.8/- each and 2 servants on Rs.8/- each for the Depot. When the Depot was opened, it was found impossible to cope with the work with only 4 men. One additional servant had to be entertained from 1st December 1918 in anticipation of Government sanction. Nearly 20 to 30 carts are coming in daily and it is found difficult to get through the daily work even with the present staff of 5 men. The work is distributed among them as noted below:-

2 men to measure ragi.
3 men to hold and stich bags and to carry them from the measuring place to the Depot.

In addition to the above work 2 of them are watching the Depot by turns during nights. It is therefore very essential to have at least 5 peons who have already been entertained from the 1st instant and to engage additional coolies when more than 30 carts come in on any particular day. I would therefore request that sanction of Government may be obtained for having engaged one additional servant on Rs.8/- from 1st December and to entertain additional coolies whenever there is necessity for them.
